

BARRIE AIR CADETS WED. NOV 11 MENU

Hooligans developed a Meal Pack program for families, by preparing and packaging some of our most popular dishes, during the shutdown earlier this year...and it has proved very popular & convenient for busy families!

Now we are excited to partner with the greater community of the Barrie Air Cadets to generate funds for your organization! As a community sponsorship, Hoolies will contribute 7% of all sales from this program back to the Barrie Air Cadets. We thank you for your participation & look forward to meeting you at our door, for contactless pickup of a Meal Pack for your family in the near future!!
