Classroom Cell-Phone Policy – Effective 29 April 2019

As we have had numerous complaints about cell phone usage and constant chattering during Monday night classes, the CO and the training team are in agreement that, effective 29 April 2019,

the instructor should collect all cell-phones at the start of period one, allow cadets access to their phones during break, re-collect cell-phones for period three, and return them after period three.

The goal of this policy is to ensure the classroom remains a learning environment. If the instructor believes cadets can police themselves and keep their phones in their pockets or bags, the instructor may decide to allow cadets to keep their phone. Application of this policy is entirely up to the discretion of the instructor and level officer.

Please direct any questions regarding this policy to OCdt St. Jean.
